

MYC NM_002467

- Myc_N** Myc amino-terminal region
- DNA binding** DNA binding region [nucleotide binding]
- HLH** Helix-loop-helix domain, found in specific DNA- binding proteins that act as ...
- other** E-box/N-box specificity site
- other** dimerization interface [polypeptide binding]
- Myc-LZ** Myc leucine zipper domain

ZCCHC7 NM_032226

- AIR1** Arginine methyltransferase-interacting protein, contains RING Zn-finger [Post...
